

STUDENT SOCIAL EVENTS - REGULATION

Use of Cafeteria:

No charge shall be made to any officially sponsored school organization for the use of any school facilities, except that such groups using cafeteria facilities for fundraising purposes shall be expected to pay the salaries of all cafeteria personnel necessary. At all other time such charges will be paid by the school department.

Parties During School Hours:

Parties during school time shall be kept to a minimum, namely Christmas, Valentine's Day, and the final day of school. On these days, a party may be held during the last hour before dismissal only. All preparations for the parties shall be carried on outside of school hours. Ordinarily, schools will not be dismissed early prior to a vacation or holiday except on the final day of school.

Decorations:

All decorations used in any school shall be of non-combustible materials.
