

SUSPENSION OF STUDENTS

The Board delegates to the principals the authority to suspend disobedient and disorderly students for a period not to exceed ten (10) school days. Suspensions may be in-school or out-of-school at the discretion of the principal. Suspensions longer than 10 days may be imposed by the Board.

Prior to the suspension, except as hereinafter provided:

- A. The student shall be given oral or written notice of the charge(s) against him/her;
- B. The student shall be given an explanation of the evidence forming the basis for the charge(s); and
- C. The student shall be given an opportunity to present his/her version of the incident.

However, students whose presence poses a continuing danger to persons or property or an ongoing threat of disrupting the instructional process may be immediately removed from school. In such cases, the notice of charges, explanation of evidence, and the student's opportunity to present his/her version of the incident shall be arranged as soon as practicable after removal of the student from school.

The student's parents/guardians shall be notified of any suspension as soon as practicable by telephone (if possible) and by written notice sent by mail. A copy of the notice shall also be sent to the Superintendent.

Students are not allowed on school property during any out-of-school suspension except with the prior authorization of the principal or Superintendent.

Students shall be responsible for any schoolwork missed during their suspension. After re-admittance, they shall be permitted to take tests, quizzes or any other form of evaluation affecting their grades.

Students serving in-school suspension shall not be permitted to participate in extracurricular activities.

PLEASE NOTE MSMA sample policies and other resource materials do not necessarily reflect official Association policy. They are not intended for verbatim replication. Sample policies should be used as a starting point for a board's policy development on specific topics. Rarely does one board's policy serve exactly to address the concerns and needs of all other school units. MSMA recommends a careful analysis of the need and purpose of any policy and a thorough consideration of the application and suitability to the individual school system.

MSMA sample policies and other resource materials may not be considered as legal advice and are not intended as a substitute for the advice of a board's own legal counsel.
