- C. The use of the particular facility shall be without charge and the using group shall be responsible for leaving the facility in a timely manner and in an orderly and clean condition. Failure to comply with this requirement may be the basis for the denial of that particular group’s future use of the facility.

- D. The using group shall comply with school regulations concerning personal deportment during the period of use of the facility.

E. The principal may assign school employees for the purpose of supervision of such activities provided, however, any school employee assigned to supervisory duty at any student religious meeting may attend but shall not participate in the group's meeting or activities in any way.

F. Student attendance at any unofficial student group meeting shall be strictly voluntary and student-initiated.

G. Neither the school employees nor any other governmental agent or employee may sponsor any such meetings.
