

Mt. Blue Regional School District VOLUNTEER CONFIDENTIALITY AGREEMENT

Student's Right to Privacy

Students and their families have a right to expect that school volunteers will not disclose personally identifiable information about their academic and/or personal behaviors to other individuals, except as permitted by law.

Volunteers may not share student information, demographic information, lunch status, or student programming information. In addition, volunteers may not release information regarding teaching, programming issues, or circumstances that occur in a school.

I acknowledge that I have read, understand, and agree to the information presented above regarding students and families right to privacy.
