Health Notice #8

September 17, 2021

Mt. Blue Regional School District was notified that **4 (four)** people associated with our district have tested positive for COVID-19 and **1 (one)** person is a probable positive case. Contact tracing has just been completed and **19 (nineteen)** close contacts were identified and have been notified.

A probable case, as defined in the [Maine DOE Standard Operating Procedures](#), is an “individual who has a positive antigen test or is a symptomatic close contact of a lab-tested positive case of COVID-19”. If we receive updated information, we will immediately contact those families affected, and their students will be released from quarantine.

Please be assured that our efforts to keep our schools safe continue and that our buildings are cleaned in accordance with all Maine CDC guidelines. *Please complete this [form](#) if you have any questions and would like an RSU 9 staff member to reach out to you.* The number of cases and the impacted schools/locations are included below.

Number of new positives	School / Location	Number of Close Contacts
1	W.G. Mallett School	11
1 (probable)	Mt. Blue Campus	8
3	Mt. Blue Middle School	0

As a reminder...

- All students and staff must complete their health screener before coming to school. If a student or staff member fails a screener, please stay home and contact your healthcare provider. --[Student Health Screener](#) --[Staff Health Screener](#)
- If your child is a close contact or tests positive for COVID-19, please notify your school immediately and keep your child home.
- The [table](#) with cumulative totals for the 21/22 school year will be updated Friday afternoons.
