FROM: Christian M. Elkington, Superintendent  
RE: Mt. Blue Middle School Remote Learning  
DATE: 1-17-2022

Unfortunately, we are contacting you to let you know that one of our district's schools, Mt. Blue Middle School will be going remote this week. Because of a large number of staff who will not be able to be at school along with a lack of substitutes, we will be forced to have Mt Blue Middle School go remote starting tomorrow Tuesday, January 18th, 2022 through Friday, January 21st. **Parents of MBMS Students will be receiving an email from Principal Black shortly in regards to plans for tomorrow along with the rest of the week.**

**For those families without internet at home** - Hotspots will be made available. Our Tech Department will work with MBMS to check out hotspots to students and families who identified (through back-to-school paperwork) that they have no/inadequate internet access. The RSU 9 Tech Dept. will have a delivery plan to get hotspots out to students and families who need them for the late morning and afternoon tomorrow.

**Box lunches will be available for pick-up** at the main entrance of Mt. Blue Middle School between 10:00 am and Noon each day during Remote Learning. A breakfast for the next morning will be provided with each lunch. Meals do not need to be pre-ordered. Please call 779-9720 or email [foodservice@mtbluersd.org](mailto:foodservice@mtbluersd.org) with any questions.

We are sorry for this inconvenience and thank you in advance for working with us as we start Remote Learning for the first time this year.
