January 1st, 2021

Dear RSU 9 Community,

We are hoping this letter finds you healthy and well, and that you all are having a restful break. We wanted to make you aware that a person associated with **Mt. Blue High School** has tested positive for COVID-19. Given the timing of the holiday break, we have determined that there are no close contacts.

As a result of this, no changes in our educational model or additional safety measures are needed.

As we prepare to return to school on Monday, January 4th, we want you to be aware of the following:

- All students and staff need to complete their health screener prior to coming to school.
 - [Student](#)
 - [Staff](#)
- If your student is a close contact or tests positive for Covid-19, please contact your school on Monday and keep your child home.
- If you did any traveling during the holiday season, please check that you are following Maine CDC guidelines, which can be found [here](#).
- If we have to cancel school for any reason or go fully remote, please use your **Food Storm Pack**. We will replace them when students return to school.

Monday, January 4th is a Blue day.

We are wishing you all a Happy New Year! Thank you for all of the work you continually do to keep our students, staff, and community safe.

Sincerely,

RSU 9 Central Office Administration and RSU 9 Nursing Team
