

# Moodey Family Scholarship Fund

James and Penelope Moodey established this scholarship to encourage you to continue your education and think seriously about a professional career in Maine. Our state needs qualified, dedicated teachers and health care and social service providers.

This renewable scholarship supports graduating seniors of Mt. Blue High School who plan to major in education, health or social service programs at a two- or four-year college or university. Students will be selected based on their passionate commitment to community service as well as demonstrated determination to succeed in college. In the case of equally qualified applicants, financial need shall be considered. Preference will be given to the children of parents working in the fields of education, health or social service in Maine.

***All applications and required information sent separately must be postmarked by May 1. Incomplete applications or those postmarked after this date will not be processed.***
