**COMPETITION FOR MAINE STUDENTS  
WHY WATER'S WORTH IT TO ME!**

In 1983 the Maine Legislature made provisions to designate the first full week of June as Maine Clean Water Week. Maine Clean Water Week was created to increase the public's awareness of the improvements made in the quality of Maine's waterways. One of the primary reasons our waterways have so greatly improved is due to the hard work of Maine's collection system and wastewater treatment plant personnel.

The Maine Water Environment Association (MEWEA) is a nonprofit organization whose goals include: promoting education and communication within the wastewater treatment industry and to the general public; supporting a balanced view of environmental policies; and enhancing the image of wastewater personnel.

In celebration of 2022 Maine Clean Water Week the Maine Water Environment Association is again sponsoring a poster competition for Maine students. Recent years have been a tremendous success and we have received over 500 posters which are judged for creativity, delivering a strong message, and connecting with the Association's mission.

The theme of the competition is **"WHY WATER'S WORTH IT TO ME!"**  
ME meaning YOU and Maine

Prizes will be awarded for the top poster for each age group and recognition for the top three posters in each age group.

Grades 1-3  
Grades 4-6

Grades 7-8  
Grades 9-12

In addition, the winning students' schools will receive recognition. The winners will be honored at the Maine Water Environment Association 2022 Fall Convention, at the Maine State House, or at a school assembly.

Thank you,

Alex Buechner
