Dear Mt. Blue High School Community,

Early this afternoon, we were informed by Brunswick High School that they would be canceling the final three games of their football season. (Please see this [letter](#) from the Brunswick Superintendent of Schools.) As you may know, we were scheduled to host Brunswick for our homecoming football game this Friday, October 8th. We have been working and will continue to work to find a replacement opponent for the game this Friday or Saturday night based on availability. This is obviously a very unfortunate situation for all of the student-athletes involved, as well as our coaches, families, and fans. We are sorry to be delivering this information to you.

Please know that we hope to secure an opponent and will follow up if we are able to do so. Otherwise, we will look forward to the final two games of the season later this month.

Thank you for your understanding of these unfortunate and disappointing circumstances in the midst of an unusual season.

Sincerely,

Monique Poulin - MBHS Principal

Chad Brackett - MBHS Athletic Director
